

Lutchmie Narine Ph.D.

Associate Professor- Department of Public Health, Food Studies and Nutrition

Falk College for Sport and Human Dynamics, Syracuse University, 444B White Hall,
Syracuse, New York 13244-3240, 315-443-9630. lnarine@syr.edu

Education

June 1993 University of Toronto, Toronto, Ontario, Canada. Department of Community Health, Doctor of Philosophy (Ph.D) in Health Services Organization and Management; Minor: Research Methods. **Dissertation:** "Prediction of the Financial Performance of Ontario Hospitals" - Advisors: Peggy Leatt, Ph.D., and George Pink, Ph.D.

December 1988 University of Calgary, Calgary, Alberta, Canada. Department of Community Health. Master of Science (MSc.) In Community Health Sciences.
Thesis: "The Effects of Pulmonary Rehabilitation on the Quality of Life of Chronic Obstructive Pulmonary Disease Patients"-Advisor: Donald Larsen, Ph.D.

June 1986 University of Calgary, Calgary, Alberta, Canada. Department of Anthropology. Bachelor of Science (BSc. first class honours). In Anthropology.
Honors Thesis: "Women's Work Load and Infanticide" - Advisor: Usher Fleising, Ph.D.

Academic/Work Experience

David B. Falk College of Sport and Human Dynamics, Syracuse University

January-December 2013 Institute for Population and Social Research, Mahidol University, Thailand Visiting Fellow

January 2012 to December 2012 Director of Graduate programs, Public

January 2010 to July 2011 Chair, Department of Public Health, Food Studies and Nutrition. *This new department consists of the former Departments of Health and Wellness, Hospitality Management, and Nutrition Science and Dietetics.*

July 2009 to December 2010 Chair, Department of Health and Wellness

August 2010 to December 2010 Chair, Department of Hospitality Management

August 2008 to July 2012 Associate Dean for Research for the College of Human Ecology

August 2008 to July 2011 Director of the Research Center for the College of Human Ecology

January 2008 to present Associate Professor

Division of Health Administration, School of Urban Affairs and Public Policy, College of Arts and Sciences, University of Memphis

January-December 2007 Associate Professor

January-December 2007 Director of the Division of Health Administration

January-December 2007 Director of the Maurice Elliott Leadership Institute (January-

Department of Public Health Sciences, College of Health and Human Services, University of North Carolina at Charlotte

July 2002 to December 2006 Associate Professor

July 2002 to December 2006 Director of the Master of Health Administration Program (July

Executive member of the Health Services Research Academy

Faculty, Ph.D. in Public Policy, College of Arts and Sciences

Faculty Associate, Center for Professional and Applied Ethics

Department of Health Administration, College of Public Health, the University of Oklahoma Health Sciences Center

July 1997 to June 2002 Assistant Professor

May 1999 to January 2000 Interim Vice Chair

October 1999 to June 2002 Public Health Practice Coordinator

Department of Health Policy, Management and Evaluation, Faculty of Medicine, University of Toronto.

Project Director of a study on the Role of the Pharmaceutical Industry Within a Reformed Health System

Co-ordinated continuing education programs for Physician Managers

Co-ordinated international visits and exchanges

Department of Epidemiology and Biostatistics, Faculty of Medicine, McGill University

November 1993 to December 1994 Assistant Professor & Project Director

Taught and managed a technical assistance project aimed at establishing an Institute of Health Services Management in Budapest, Hungary. The Institute provides management training to Hungarian and other East European hospital managers.

Ontario Drug Programs Project (ODPP), Ontario Ministry of Health

June to November 1993 Management Systems Analysts

Health Economics Research Division, Physicians World Communications Group

1992 to 1993 Consultant

Assisted with the development and testing of the PECAN (Pharmacoeconomic Cost Analyser) program. PECAN is a computer software model that can be used in cost-effectiveness analyses of pharmaceutical products

Hospital Management Research Unit, University of Toronto

1991 to 1992 Project Assistant

“A Study to Assess the Feasibility of Developing a Model to Predict the Financial Condition of Ontario Hospitals”.

Case Management Directorate, Department of Nursing, The Toronto Hospital

1990 to 1991, Consultant

Identified and analysed relevant costing data for the assessment of patient and provider utilization of hospital resources within the organizational framework of case management.

Literatura Medica, Budapest, Hungary

1994 Consultant for Organizational Change

Literatura Medica is a leading medical publishing company in Hungary. Included among its publications is the official journal of the Hungarian Medical Association.

Teaching

January 2008 to present Department of Public Health, Food Studies, and Nutrition,
David B. Falk College of Sports and Human Dynamics, Syracuse University

HTW 306 Public Health Administrative Systems

HTW 402 Implementing and Evaluating Health Programs

HTW 403 Community Based Health Policy and Research

HTW 415 Public Health Ethics

HTW 665 Applied Global Health Practice and Policy

HTW 702 Family, Child, and Global Community Health Policy

HTW 779 Implementation and Evaluation of Child and Family Health Programs in the
Global Community

HTW 781 Graduate Practicum in Child and Family Health in the Global Community

2007 Department of Health Administration, School of Urban Affairs and Public Policy,
College of Arts and Sciences, University of Memphis

HADM 7206 Managerial Epidemiology

July 2002 to December 2006 Department of Public Health Sciences, College of Health
and Human Services, The University of North Carolina at Charlotte

HSRD 8002 Health Care Systems and Delivery

HADM 6145 Organization Behavior in Health Care

HADM 6134 Quality and Outcomes Management in Health Care

HADM 6124 Marketing in Health Care

HADM 6154 Strategic Management of Health Services Organizations

HADM 6120 Health Economics

July 1997 to June 2002 Department of Health Administration and Policy, College of Public Health, The University of Oklahoma Health Sciences Center

HAP 5303 Health Policy and Politics

HAP 5323 Operations Research

HAP 5543 Health Planning and Evaluation

Continuous Quality Improvement (CQI) Quantitative Methods (Summer Certificate Program)

Department of Pharmacy Practice, College of Pharmacy, The University of Oklahoma Health Sciences Center

Spring 2000 PHAR 7713 Pharmacoeconomics and Epidemiology

Department of Health Administration, Faculty of Medicine, University of Toronto

Fall 1998 to Fall 1996 CHL 5725 Health Economics I - Economic Evaluation Methods

Fall 1996 Health Care System and Management Module - Third Year Undergraduate Medical Class

Fall 1995 Cost-Effectiveness Analysis, Health Care System and Management Module -

Fall 1995 Third Year Undergraduate Medical Class

Spring 1992 CHL 5711 Theory and Practice of Strategic Planning and Management in Health Services Teaching Assistant

Determinants of Health: The Physician in Canada's Health Care System

Supervisor/Examiner

Syracuse University

Doctor of Philosophy, Department of Human Development and Family Science, David B. Falk College of Sport and Human Dynamics

- May 2018 Chair, Dissertation Oral Examination Committee, Mark Primus,
- June 2016 Chair, Dissertation Oral Examination Committee, Elif Yildirim
- April 2015 Chair, Dissertation Oral Examination Committee, Peggy Lane
- April 2015 Chair, Dissertation Oral Examination Committee, Bora Jin

- June 2014 Chair, Dissertation Oral Examination Committee , Hui-Hua Wang
- May 2012 to 2014, Committee Member, Iryna Olexandrivna Balabukha
- May 2012 Chair, Dissertation Oral Examination Committee, Jody Canfield
- September 2010 to 2013 Committee Member, Yan Wang
- September 2009 to 2012 Committee Member, Megan Lape
- September 2008 to 2013 Committee Member, Mark Thomas

Doctor of Adult Education, School of Education, Syracuse University

- September 2010 to 2012 Committee Member, Sally Huntington

Doctor of Social Science, Maxwell School of Citizenship and Public Affairs

- January 2009 to September 2010 Committee Member , Kimberly Johnson

Master of Science in Public Health (MSPH), Department of Public Health, Food Studies and Nutrition, David B. Falk College of Sport and Human Dynamics

- May 2017 Chair, Master's Thesis Oral Examination Committee , Ivan Castro

University of North Carolina at Charlotte

Doctor of Public Policy (Health Concentration), College of Arts and Sciences

- September 2004 to December 2006 Committee Chair , Satananda Hayden

Doctor of Health Psychology, College of Arts and Sciences

- October 2005 to December 2006 Committee Member, Kristin Daley

Doctor of Education, College of Education, University of North Carolina at Charlotte St

- August 2005 to December 2006 Committee Member, Bree Jimenez

Master of Health Administration, College of Health and Human Services

- 2004 to 2006 Committee Member, Shanti Stappas
- 2002 to 2004 Committee Chair, Nathan Kellet

Master of Health Promotion, College of Health and Human Services

- 2004 to 2006 Committee Member, Davita Galloway
- October 2005 to 2006 Committee Member, Cindy Rutherford

- 2002 Committee Chair, Melanie Rouse

University of Oklahoma Health Sciences Center

Doctor of Public Health, DrPH, Committee Chair, College of Public Health

- 2001 to 2002 Department of Health Administration and Policy, Robert Brower
- 1999 to 2002 Department of Health Administration and Policy, Bob Frost
- 2001 to 2004 Department of Health Promotion Sciences, Co-Chair, Barbara Norton

Doctor of Public Health, DrPH, Committee Member, College of Public Health

- 1997 to 2001 Department of Health Administration and Policy, Daryl Baker
- 2001 Department of Health Promotion Sciences Russell A. Brewer
- 1997 to 2000 Department of Health Promotion Sciences, Barbara Norton

University of Toronto

1996 to 1997 Dissertation Supervisor. PhD Student: Judy Hackett, Department of Health Administration, University of Toronto.

1996 Internal Appraiser. MSc. Thesis Student: John Pilla: The Development and Pilot Testing of a Medication Use Management Model, Faculty of Pharmacy

1997 Practicum Co-Supervisor. MHSc. Student: Kim Lenihan, Department of Health Administration, University of Toronto

University of the West Indies, St. Augustine Campus, Trinidad & Tobago

- 1995 to present External Examiner. Comprehensive Examinations, MSc. Degree in Economics, Faculty of Social Sciences
- August 2000 External Appraiser. MSc. Thesis (Student: Andy Thomas): Towards a Framework for Examining the Interrelationship Between Health and the Economy, Department of Economics
- July 1998 External Appraiser. MSc. Thesis (Student: Leslie Charles): Primary Health Care in Grenada, Carriacou and Petite Martinique: An Evaluation of Effectiveness and Prognosis for the Future, Department of Economics
- December 1998 External Appraiser. MSc. Thesis (Student: Roger McLean): An Economic Approach Towards the Development of a Screening Programme for Cancer of the Cervix in Trinidad - An Evaluation of Cost Recovery Approaches in the Public Sector, Department of Economics

Other

2015 External Examiner. Doctoral Thesis (Student: Ann Hague), Doctor of Public Health Degree, Graduate Research School, La Trobe University, Melbourne, Australia.

1997 to 2001 External Co-Supervisor. Doctoral Student: Dale McMurchy, Department of Economics, University of Cape Town, South Africa

Accreditation/Program Development

Syracuse University

Summer 2016 Lead faculty, development of dual graduate degree BS/MS Global Health

Summer 2016 Contributing Faculty, development of dual graduate degree BS/MSPH Global Health

Plans for the establishment of the Master of Family, Child and Community Health was selected among a few projects to receive funding from the Chancellor's Leadership Project program which is externally supported by the Carnegie Corporation of New York. The Program was approved by New York State Department of Education to be offered starting Fall, 2011. The Bachelor of Science in Public Health degree program was approved by the New York State Department of Education to be offered starting Fall, 2009. I developed a new syllabus for a six credit course in comparative health policy. This is a course for Syracuse University Abroad and involves travel to Switzerland, Netherlands, and Morocco. The inclusion of Morocco is the first time a developing nation has been included as a study site for this course. This course will now be the responsibility of the David B Falk College of Sport and Human Dynamics.

December 2008 to March 2009 CFHGC, Contributing Faculty, development of a Master of Child and Family Health in the Global Community Program

2007 to 2009 BSPH, Lead faculty, transition from BSc. Health and Wellness to Bachelor of Science in Public Health

Revised and Revamped the Syracuse University Abroad Offering in Comparative Health Policy

University of Memphis (2007)

School of Public Health Planning Committee

Curriculum Review Committee for Health Administration MPH and PhD Programs

Curriculum Review Committee for Epidemiology MPH Program

Curricula for a Master of Public Health Program in Health Administration and a Ph.D. in Health Services Research was developed and the foundation laid for the establishment of a School of Public Health during this time.

The Master of Health Administration (MHA) program was re-accredited by the Commission on Accreditation of Healthcare Management Education (CAHME).

University of North Carolina at Charlotte (UNCC)

2003 to 2007 Department of Public Health Sciences, UNCC Curriculum Committee

2002 to 2007 Chair, Master of Health Administration, MHA Program Committee

In my capacity as Chair of the MHA committee I spearheaded the accreditation self-study process which eventually resulted in the program being accredited for the first time by the Commission on Accreditation of Healthcare Management Education (CAHME) in 2007.

October 2003 to September 2005 PhD In Health Psychology Planning Committee

January to September 2003 PhD In Health Services Research Planning Committee II

September to December 2002 PhD In Health Services Research Planning Committee I

Both Ph.D. in Health Services Research and Ph.D. In Health Psychology degree programs were approved by the State of North Carolina and are established and functioning programs at UNCC.

College of Public Health (University of Oklahoma Health Sciences Center (OUHSC)),

June 1998 to March 1999 Reaccreditation Self-Study Task Force, Instructional Programs

2000 Core Curriculum Review Committee

The College of Public Health was re-accredited for a normal full term by the Council for Education In Public Health, CEPH

1997 to 2002 Curriculum Committee, Dept. of Health Administration and Policy

February 2001 to May 2002 Accreditation Self-Study Task Force, Master of Health Administration Program

2002 The Master of Health Administration program was accredited for the first time by the Commission on Accreditation of Healthcare Management Education, CHAME

1993 Narine, L., Pink, G., Leatt, P., and Bolley, H. Prediction of the financial performance of ontario hospitals. Final Report to the Hospital Incentive Fund, Ontario Ministry of Health

1990 Narine, L. Alternatives for the provision of long term care services for the elderly of Ontario, Report to Ministry of Community and Social Services, Ontario

Funded Research and Program Development Projects

May 2018 to May 2020 \$35,000

Risk and Protective Factors as Determinants of Sexual Health Behaviors of Caribbean Youth: An Ecological Approach. Lutchmie Narine (Principal Investigator), Ambika Krishnakumar, and Jaipaul L. Roopnarine. CUSE Grant Program, Syracuse University

Summer 2012 to Summer 2013 \$20,000

HTW 400/600 Native American Public Health Course. Sandra D. Lane and Lutchmie Narine (Co-Investigator), Innovative Summer Program Development Fund, University College, Syracuse University

Childrearing Parental Beliefs and Practices in Trinidadian and Tobagonian Families, Ministry of Education, Government of Trinidad and Tobago with Dr. Carol Logie, University of the West Indies, St. Augustine, Trinidad and Tobago, Dr. Jaipaul Roopnarine, Dr. Ambika Krishnakumar, and Dr. Lutchmie Narine, Syracuse University

November 2005 to November 2008 \$320,000
Survey of Patient Satisfaction Among North Carolina Medicaid Patients. William Brandon and Lutchmie Narine (Co-Principal Investigator). North Carolina Department of Health and Human Services

January 2004 to December 2007 \$101,000
Evaluation of Physicians Reach Out/Medlink of Mecklenburg. William Brandon and Lutchmie Narine (Co-Principal Investigator). Mecklenburg County Medical Society/Duke Endowment

January 2003 to June 2004 \$6,000
Socioeconomic Correlates of Prostate Cancer Among Minority Populations in the United States. Lutchmie Narine (Principal Investigator). Faculty Development Grant, University of North Carolina at Charlotte

February to September 2002 \$2,500
HIV/AIDS Policy, Staff Training and Education Assessment Survey. Lutchmie Narine (Principal Investigator). Oklahoma State Department of Education

October 2000 to September 2001 \$202,700
The Oklahoma Longitudinal Assessment of Health Outcomes of Mature Adults. James W. Mold and Lutchmie Narine (Co-Principal Investigator). Presbyterian Health Foundation

September 2000 to September 2001 \$10,000
Faculty Development for Public Health Practice - Part II. Lutchmie Narine (Principal Investigator). Association of Schools of Public Health and Health Resources and Services Administration (ASPH/HRSA) Cooperative Agreement

July 1999 to September 2000 \$72,500
Review and Summary of Literature Regarding the Principles of Physician Relationships in Different Health Care Models. Lutchmie Narine (Principal Investigator), Tina Smith, and Mahil Senathirajah. Ministry of Health, Province of Ontario, Canada

July to November 2000 \$39,450
Evaluation of the Oklahoma Health Care Authority's Product Based Authorization Program for NSAIDS and Anti-Ulcer Drugs. Lutchmie Narine (Principal Investigator). Oklahoma Health Care Authority, State of Oklahoma

September 1999 to August 2000 \$10,000
Faculty Development for Public Health Practice - Part I. Lutchmie Narine (Principal Investigator). Association of Schools of Public Health and Health Resources and Services Administration (ASPH/HRSA) Cooperative Agreement

September 1998 to September 1999 \$191,177
Family Medicine Research Center. James W. Mold et al., Lutchmie Narine (Co- Investigator), Presbyterian Health Foundation

September 1999 to February 2000 \$40,000

Financial Audit of Substance Abuse Services in Oklahoma. S. Ross Clarke, Lutchmie Narine, Robert W. Broyles, and Edward N. Brandt. Oklahoma State Senate Interim Committee on Substance Abuse Services, State of Oklahoma

October 1998 to January 2000 \$25,000

Emergency Room/Ambulatory Care Project. Lutchmie Narine (Co-Principal Investigator), Keith W. Curtis. Southern Oklahoma Memorial Foundation

September 1996 to December 1998 \$596,400

The Impact of Walk-in-Clinics on Ontario's Health Care System. Barnsley et al., Lutchmie Narine (Co-Investigator), Physician's Services Incorporated Foundation

1996 to 1997 \$500,000

Research Consultant for Evaluation of the Primary Care Nurse Practitioner Initiative Nursing Placement and Tracking Study. DiCensco et al. Ministry of Health, Province of Ontario, Canada \$

October 1997 to January 1998 \$7,000

Consumer Assessment of Health Plans Survey. Lutchmie Narine (Principal Investigator). Oklahoma Health Care Authority

September 1996 to September 1998 \$450,000

The Role of the Pharmaceutical Industry Within a Reformed Health Care System: Searching for the Optimal Therapy. Peggy Leatt, Lutchmie Narine (Co-Investigator), and Tina Smith. Pharmaceutical Manufacturers Association of Canada (PMAC)

January to October 1996 \$42,000

Evaluation of an Asthma Disease Management Program, Lutchmie Narine (Principal Investigator), Mahil Sen, and Tina Smith, GlaxoWellcome Inc., Mississauga, Ontario

January to September 1997 \$27,178

Development of a Balanced Performance Scorecard for Health Care Institutions. Lutchmie Narine (Principal Investigator). Green Shield Canada

1995 to 1997 \$700,022

The Health Evidence Application & Linkage Network (HEALNet; Health Care Management Theme). Lemieux-Charles et al., Lutchmie Narine (Co-Investigator). Networks of Centres of Excellence Program

1995 to 1997 \$450,000

Team Leader for Defining and Costing Episodes of Care & Development of Quality Measures for Information Systems. Ministry of Health, Province of Ontario, Canada

1995 to 1997 \$866,250

Team leader for Development of a Balanced Scorecard & Benchmarking Tools for Canadian Hospitals. The Natural Sciences and Engineering Research Council (NSERC) of Canada.

1995 to 1997 \$110,000

Team Leader for Development of a Balanced Scorecard for TAHSC Hospitals. The Toronto Academic Health Sciences Council (TAHSC)

1996 \$10,000 Evaluation of Wellesley Hospital's Urban Health Initiative. Peggy Leatt, Lutchmie Narine (Co-Investigator), Louise Lemieux-Charles, Jan Barnsley, and David Zakus. The Wellesley Hospital

1995 to 1997 \$986,000

Renewal of the Certificate Program in Health Services Management for Hungary. Sylvie Beaucage, Lutchmie Narine (Co-Principal Investigator), and David Zakus. Ministry of Foreign Affairs and International Trade, Canada

1995 to 1996 \$65,829

Health Care Expenditures and Financing - Caribbean Regional Health Sector Study. Jack Williams, Lutchmie Narine (Co-Investigator), David Zakus. Inter-American Development Bank (IDB) and Pan American Health Organization (PAHO)

October 1995 to May 1996 \$29,750

Analytical Paper on Public and Private Financing. Raisa Deber, Lutchmie Narine (Co-Investigator) and Associates. Working Group on Striking A Balance: National Health Forum, Canada

1996 \$10,000

Roundtable on Disease Entity Management: What Does it Mean for Ontario. Lutchmie Narine and Tina Smith. Ontario Drug Programs Branch, Ministry of Health, Province of Ontario, Canada

May to June 1995 \$18,076

Proposal for Health Administration Faculty Exchange - Ukraine and Canada. Lutchmie Narine (Co-Principal Investigator) and Peggy Leatt. Partners in Health Program, Canadian Society for International Health

September to December 1989 \$9,400

Efficiency-Improving Innovations in the Community-Based Care of the Elderly. Lutchmie Narine (Principal Investigator). Ministry of Community and Social Services, Ontario.

Presentations at Professional Meetings

July 27 to 29, 2017 **Narine, L.** & Krishnakumar, A. Risk and protective factors impacting ageing and health in East Asian countries. International Conference on Non-Communicable Diseases 2017, Kuala Lumpur, Malaysia.

October 31, 2016 Krishnakumar, A. & **Narine, L.** Intimate partner aggression in dating relationships: sex-specific typologies, correlates, and outcomes. Session 3017.0, Current Techniques in Public Health Data Analysis with Applications. Annual Meeting of the American Public Health Association, Denver, Colorado.

2016 Larsen, D. A., Grisham, T., Slawsky, E., & **Narine, L.** Not in my backyard: An individual-level meta-analysis of the association between community open defecation and stunting. Paper presented at the Annual Meeting of the American Society of Tropical Medicine and Hygiene, Atlanta, Georgia.

May 2014 Krishnakumar, A., **Narine, L.**, & Soonthorndhada A. Associations among family stressors, social connectedness and self-reported health status within three age groups of Thai elderly, The Regional Science International (RSAI) World Congress, Bangkok, Thailand.

June 2009 Chengxiu, S., **Narine, L.**, Brandon, W. P., & Schoeps, N. Who is better served in medicaid managed care: racial differences in health care access. Paper presented at the Annual Meeting of Academy Health, Chicago, Illinois.
